- In Philippians 3:13, what is Paul's desire?
- How does Philippians 3:7-14 demonstrate the way Paul is moving forward? Where do you believe Paul is going?
- What does Philippians 4:6,7 teach us about ourselves and about God?
- What do the biblical words "Learned" and "Content" mean in the context of Philippians 4:11?
- How would you rewrite Philippians 4:13 in your own words? What does this passage suggest?
- Why do you believe the church of Philippi was concerned for Paul and the generous to him (Phil 4:10, 14, 18-19)? What caused their hearts to carry such a concern (Acts 16:9-40; 1 Thessalonians 2:2)?

What speaks to you the most from Philippians 3 and 4? What do you feel the Lord leading you to do based on this passage?
