**Recap**

This week we ended our series on Habakkuk. Who can recap the book of Habakkuk? See if you can describe the sequence of Habakkuk through chapters 1-3.

**Habakkuk 3:16-19**

How did Habakkuk feel in Habakkuk 3:16? Why? Do you think it is healthy for a believer to experience a similar feeling? Why or Why not? How Did God use Habakkuk’s experience?

What did Habakkuk learn in verse 3:17-19? What makes this verse important?

Habakkuk 3:16-19 is the practical outworking of Habakkuk 2:4. What does it mean to “live by faith”? What are some marks of true faith?

What event in your life is exercising and/or challenging your faith? How can you live out Habakkuk 3:18-19 through this event?

How do the promises of God help you in life challenges (Hab 2:4, 14, 20; 3:2, 13 Phil 4;19, Eph 3:16; 1 John 4:4)? How can we rejoice when circumstances are difficult? How can we help others rejoice?

**Conclusion**

Name something that resonated with you in our study through Habakkuk? What truth will you remember when you think of the book of Habakkuk?
