THE GENIUS OF JESUS #3

- Is truth relative or is truth absolute? Why or why not? Why are the following truth claims self-defeating: #1 that is true for you but not for me, #2 Everything is meaningless, #3 There is no truth, #4 You can't know truth, #5 You ought not judge.
- According to 1 Corinthians 15:17,19; John 14:6; John 17:17, where does the Bible direct us to discover truth? How do we determine if these claims are true?
- Do you believe in the resurrection of Christ? Why or Why Not? What evidence for the resurrection have you found impactful apart from personal feeling? If the resurrection is true, what does this mean for you? How did Paul view life in response to the resurrection (see 1 Corinthians 15:55-57)?
- According to 2 Timothy 3:16 the Bible is God's words to us (Inspired). Do you believe the Bible is God's word? Why or Why not? What helped you reach your conclusion?
- What is the difference between translation and transmission? Why do we have multiple translations? Do you believe the Bible has been preserved? Why should a follower of Jesus find it important to have God's word today?
