Hebrews 13:7-16

Everyone read Hebrew 3:7-16 individually. When everyone has finished, discuss what the passage exhorts the reader to do regarding godly training.

Hebrews 13:8 states that God is unchanging. Read 2 Cor. 11:2-4 and Gal. 1:8-10. Share a time when you experienced what these passages warn about.

Hebrews 13:9-10 gives the example of individuals eating sacrificed food in an attempt to make themselves holy. What methods do you see people use today to achieve holiness?

Hebrews 13:11-14 invites us to “bear the reproach He endured.” Discuss what this means.

Share with the group who you personally look back on as a hero of the faith. It could be someone from scripture, a relative, or a missionary.

Many encounter the temptation to earn holiness rather than receive it. Share how you have experienced or are currently experiencing this in your life. How can the group members encourage each other through this struggle?
