Church Leadership

Read Ephesian 4:11-12 and 2 Timothy 2:2. Discuss what the verses say about the purpose for leaders in the church. How do you see, or not see, these things taking place at ABC.

Jude 1:16 describes characteristic of an ungodly leader. What do you think would influence someone to follow the type of leader described in this verse?

Read 1 Timothy 3:2-10, which lists the qualification of leaders in the church. What are your thoughts on these qualifications? Is there anything that you would add to the list that isn't there, and if so, why do you think it is not included as a qualification in the passage?

1 Timothy 3 states that Elders are to be male. What are your thoughts on this, and what additional Scripture can you use to support your thoughts on this?

After reviewing the qualifications of a leader in 1 Timothy 3, discuss the qualifications that you excel at and the ones that you struggle with.

What can you do this week to be a godly leader in your family or individual life?
