Titus 2

Read Titus 2:1-10 and identify what the end results should be of godly living

Identify the group you are a part of from verses 2-10 (old men, old women, etc...) and read what the passage is calling you to do. Discuss how your small group can be an encouragement to each other to live out that calling.

Read Titus 2:11-15. For what purpose are we to have godly influence on others?

We all have influence. Share with the group what your circle(s) of influence are.

What can you do this week to intentionally be a godly influence?

What are you needing in your life currently to help you be a godly influence?
